August 12, 2016

Dear Prospective Science and Engineering Fair Judge:

I am writing because you have previously served as a judge for the Henry Regional Science and Engineering Fair or because you have been identified as a potential judge. The fair will be held over the course of 2 days at the Heritage Center in McDonough. Senior Division judging will take place Wednesday, January 25, 2017, and Junior Division judging will take place Thursday, January 26, 2017.

Your talent and expertise is needed to help evaluate our students’ work and we invite you to serve as a judge for the upcoming fair. Feedback from an expert team of judges provides a valuable learning opportunity for our students by assisting them in reflecting on their work and refining their efforts. I hope you will be available to share your time in order to make a difference in the life and education of a child. Your participation will promote enthusiasm and development in science. Also, this would be a wonderful opportunity for you to meet some of Henry County’s best science students and dialogue with them about their research.

A continental breakfast will be provided each day at 8:30 A.M. followed by an orientation for judges at 9:00 A.M. We will begin the initial review of projects following the orientation. Lunch will be provided on-site. Later in the day, students will be available for interviews to explain their projects. The entire judging process should be completed by 3:00 P.M., and honorariums will be provided.

If you will be able to serve as a judge, please return the response form to Kaneice Bembry by Wednesday, November 16, 2016, via one of the following methods:

- scanned email attachment to kaneice.bembry@henry.k12.ga.us,
- FAX to (770) 898-7908, or
- mail to Henry County Schools Science Department, 33 N. Zack Hinton Parkway, McDonough, GA 30253.

Please share this invitation with others within your institution that you feel may be interested in serving as a judge. Thank you for your support.

Sincerely,

Kaneice Bembry

HENRY REGIONAL SCIENCE AND ENGINEERING FAIR
JUDGE RESPONSE FORM

_____ YES  I will serve as a judge for the Henry Regional Science and Engineering Fair.

_____ NO  I will not be able to serve as a judge for the Henry Regional Science and Engineering Fair.

Title:  Dr. _____  Mr. _____  Mrs. _____  Ms. _____

Name:________________________________________________________

Company Affiliation:_________________________________________________________

Position:________________________________________________________

Address________________________________________________________

Phone #___________________________  Fax #________________________

E-Mail Address__________________________________________________________

Please indicate the date(s) you are available to serve as a judge.

_____  Wednesday, January 25, 2017 – Senior Division (grades 9-12)

_____  Thursday, January 26, 2017 – Junior Division (grades 6-8)

JUDGING CATEGORIES: Please indicate your top 3 preferences (1 = most preferred).

_____  Animal Sciences  _____  Energy: Physical

_____  Behavioral and Social Sciences  _____  Engineering Mechanics

_____  Biochemistry  _____  Environmental Engineering

_____  Biomedical & Health Sciences  _____  Materials Science

_____  Cellular & Molecular Biology  _____  Mathematics

_____  Chemistry  _____  Microbiology

_____  Computational Biology & Bioinformatics  _____  Physics and Astronomy

_____  Earth & Environmental Sciences  _____  Plant Sciences

_____  Embedded Systems  _____  Robotics & Intelligent Machines

_____  Energy: Chemical  _____  Systems Software
Heritage Center

97 Lake Dow Road
McDonough, GA 30253
(770) 288-8421

From South
1. Take I-75 North toward Atlanta.
2. Take Exit 216, GA-155 toward McDonough.
3. Turn left onto GA-155 and travel approximately 3 miles to Keys Ferry Street/GA-81.
4. Turn right onto GA-81 and travel approximately 1 mile to Lake Dow Road.
5. Turn left onto Lake Dow Road and travel approximately 0.06 of a mile.
6. 97 Lake Dow Road is on the left (first left after McDonald’s).

From North
1. Take I-75 South toward Macon.
2. Take Exit 216, GA-155 toward McDonough.
3. Turn left onto GA-155 and travel approximately 3.25 miles to Keys Ferry Street/GA-81.
4. Turn right onto GA-81 and travel approximately 1 mile to Lake Dow Road.
5. Turn left onto Lake Dow Road and travel approximately 0.06 of a mile.
6. 97 Lake Dow Road is on the left (first left after McDonald’s).
